Take a Survey - Win a Prize

What grid file formats do you use? We would like to know.

Think of it this way: we need to find out what file formats no one is using so we can drop support for them.

The survey is just 3 simple questions, so it should not take more than a minute or two to complete. Take the survey now: <http://www.pointwise.com/survey>.

We appreciate your help. As a token of our thanks, **five lucky winners** will be chosen at random from all survey respondents to receive a special gift.

Do not delay - go to the survey on our web site now:
